

The Chop Shop - Wireframe

Home

The image is a grayscale wireframe of a web page layout. It features a top navigation bar with a dark background and light-colored text. Below the navigation bar is a main content area divided into five columns. The first column on the left contains a large rectangular placeholder with a grid of five small squares. The second column contains a large rectangular placeholder with a grid of five small squares. The third column contains a large rectangular placeholder with a grid of five small squares. The fourth column contains a large rectangular placeholder with a grid of five small squares. The fifth column on the right contains a large rectangular placeholder with a grid of five small squares. Below the main content area is a footer section with a dark background and light-colored text. The footer includes a horizontal line and a small logo.

Home

A diagram of a rectangular structure. At the bottom, there is a horizontal row of eight small squares, each containing a cross symbol. Above this row is a large rectangle. The interior of this rectangle is divided by a large 'X' shape formed by two diagonal lines. The left and right sides of the rectangle are further divided by vertical lines, creating narrow vertical strips on the far left and right. The entire diagram is set against a background of horizontal lines.
